OPEN SUBMISSION - Calling 3-D Artists and Makers

Think handmade; think craftsmanship; think original; think quality; think decorative; think functional; think creative

This winter the Upstairs Gallery is planning to transform itself into a festive emporium of seasonal gifts and indulgences.

We are looking for appropriate items in a range of 3-D media for us to display in our Gallery. The submission fee for this opportunity to showcase your best new work in the company of a choice group of 2-D artists will be £25. If selected you will be able to submit sufficient work to fill a space measuring approximately 50 cms². Commission on all sales will be 24%.

To take part in this winter extravaganza please send up to three images of the type of work that you would like to submit to upstairsgalleryberkhamsted@gmail.com by Sunday 21st October. An indication of prices would be helpful, but we will make our selection on the basis of the images and let you know our decision by Friday 26th October. Our criteria for selection are quality of work and fit with the exhibition overall.

The exhibition curators will be responsible for the arrangement/display of all items in the exhibition, and reserve the right to restrict the number of pieces on show at any one time.

Sunday 21st October: Final date for submission of images

Sunday 28th October: Artists/makers will be informed whether they have been selected
